The New Keen's Surgery

This new Keen volume—Volume VI—brings your *Keen's Surgery* right down to the minute. In it you get everything new in all branches of surgery—general and special. You get all the advantages of a complete and exhaustive revision at but one-fifth the cost. It makes the "new Keen" the best, the most up-to-date surgery on the market.

You are assured of the same high degree of excellence, the same weight of authority, the same emphasizing of the *practical* that made the success of Keen's Surgery world-wide—because in this Volume VI you get the same authors as you have in the other volumes.

Each man has searched for the new, the practical, the *really useful* in his special field, and he gives it to you here. Here you get everything new in general surgery and all its specialties, fully illustrated and authoritatively presented. If you want the very latest advances in surgery, get this Volume VI of Keen. It also contains an index of the entire six volumes.

Keen's Surgery. Six octavos, averaging 1000 pages each, with 3100 illustrations, many in colors. Edited by W. W. Keen, M.D., LL.D., Hon. F.R.C.S. (Eng. and Edin.). Per volume: Cloth, \$7.00 net; Half Morocco, \$8.00 net.
